 @ the Maple Ridge Seniors Activity Centre  
 Tuesdays, Feb 5, Mar 5, Apr 2  
 3:30 pm - 4:30 pm

Need some help with all the new hand-held tech devices? Bring those gadgets - cell phones, cameras, eReaders and laptops - and let the technically gifted members of the library's Teen Advisory Group explain how they work and what they do.

This program is offered in partnership with the Ridge Meadows Seniors Society and is held at the Maple Ridge Seniors Activity Centre, 12150 224th Street, Maple Ridge.
