March 17, 2020

Dear Members

Pursuant to my letter of March 13, 2020, there have been further ramifications of the Corona Virus Pandemic.

As a result of yesterdays announcements from the Provincial Health Officer and Minister of Health, today March 17, 2020 will be the last day we will serve lunch in our facilities. Further, both facilities will close as of 4:00 pm today until such time as health officials deem safe to reopen.

At this time, the kitchen in Maple Ridge will be operating to supply Meals on Wheels, and we will try to set up a back door lunch program similar to what was done during the flood and we are looking at how we might do the same in Pitt meadows. Further information will be coming on this.

A large number of our members do not have computers or access to social media. Please be in touch with those of your friends that you know do not have computers to relay this information.

We will be putting out more announcements of what services can be provided over the next few days. All of this is a work in progress and we are working on various logistics to make them happen.

Thank you for your understanding.

Regards

Don Mitchell
