November 8, 2020

Dear Members,

Due to a recently issued Provincial Health Order to slow the spread of Covid-19, all activities at both the RMSS Maple Ridge and Pitt Meadows Seniors Centres will be on pause from November 7th to November 23rd.

The take away lunch program will continue to be open during its usual time at both centres.

RMSS has been doing our part by regularly enforcing our protocols to limit members' exposure at our centres. These measures are intended to help protect the vulnerable population that we serve and to safeguard employees and volunteers as much as possible.

As stated, the duration of time for this pause in activities is currently two weeks and we hope that this will be lifted at that time. Any remaining pre-paid classes will be refunded to your YouConnect account. We will re-evaluate based on further recommendations and then inform you on changes to registration open dates.

Please continue to check our website, Facebook page or call our centres for updates or assistance.

Stay safe,

Maria Perretta

Executive Director

Ridge Meadows Seniors Society
